

September 9, 2021

Dear Families,

Welcome to the 2021-2022 school year! I am very excited to be your child's third grade teacher. I feel strongly that every child is a unique learner who will thrive in a loving, accepting, and stimulating environment. I believe education is a partnership between home and school and encourage you to become actively involved in the process. I am sure that by working together we can guarantee a year of growth, fun and learning.

Please make sure that your child brings a backpack to carry their things back and forth from school. They have been provided with a "Take Home Folder" as well as an "Agenda". They should be bringing these to and from school daily. Their "Take Home Folder" will contain items that need to go home. Their "Agenda" will have their homework recorded when it is given.

Snack will be provided for students for the first week of school. After the first week, please make sure that snack is packed for your child daily.

The following items are for class use, and will be using a lot of them all year long. If you would like to donate any of the items it will be appreciated at any point throughout the year.

- Tissues
- Lysol Wipes/Cleaning Wipes
- Paper Towels
- Snacks

It was great meeting your third-grade students today! If you have any questions, please feel free to call, text, or email with any questions or concerns that you might have.

Sincerely,

Mrs. Hogan
